

## Aluminum TIG Welder/Fabricator

Smucker Laser Cutting & Machine Fabrication (a division of Smucker & Sons Exterior Improvements) is a premier metal fabrication manufacturing firm serving clients in the South-Central Pennsylvania region. We continue to grow and are currently seeking an aluminum TIG Welder/Fabricator for our first shift.

Aluminum TIG Welders/Fabricators layout/fit assemblies per the product blueprints, set-up and weld assemblies, cut materials for production, grind and blend parts, and measure and inspect parts for quality.

We are seeking candidates with 3+ years of experience in aluminum TIG welding, fabrication, and MIG welding on mild steel, stainless steel and aluminum sheet metal. Candidates must also be able to read product blueprints and tape measures and have a strong work ethic.

Smucker & Sons Exterior Improvements provides a competitive and comprehensive compensation and benefits package, including medical and dental insurance, 401(k) plan, profit sharing plan, paid vacation and holidays, and more. To apply for this excellent career opportunity, send your resume/application to: Smucker Laser Cutting & Machine Fabrication, attention Human Resources, 543 Strasburg Pike, Lancaster, PA 17602.
